This wig is completely hand-tied and the hair is unprocessed virgin remy. The lace is virtually undetectable, giving you a natural looking hairline and amazing styling versatility. Once the knots have been bleached or treated with "Lace Knot Healer" it creates the look of natural hair growth and allows you to part the hair in any direction, wear braids, pony tail and the various up do hair styles.

Our Silk Top (Silk Base) Wigs

Are made of premium quality 100% human hair. All wigs are custom made by hand for highest quality. The finest silk base is used to cover the knots on the top area, which conceals the knots and makes hair parting look very natural. All wigs are freestyle and can be parted anywhere and the hairline is undetectable when wet or brushed back.
